My dear Sir Robert:-

Re Sir John & Lady Eaton - University Endowment

As arranged with you, I forwarded the re-drafted endowment Agreement to Mr. Lash which he received on the 6th but I have just received a letter from him stating that he was leaving the City and would not be back before the end of the month and stating that he would take it up then.

As Lady Eaton mentioned at our conference that they wished the matter taken up as soon as possible, I thought it better to get this draft back from his office and to forward to you, which I accordingly do, so that when Sir John Eaton is available, the matter may be in shape to be finally dealt with and will be glad to know if there are any further suggestions to make in the matter.

Yours truly,

Britton Osler

Dear Mr. Osler:

I am very sorry that Mr. Lash was not able to go over the draft before he left. I will, however, go through it carefully and bring it up at the meeting of the Board, which is to be held next Thursday, and after that I will communicate with you.

With kind regards, I am,

Yours sincerely,

President.
